Intelecare Compliance Solutions, Inc.
 One Audubon Street, New Haven, Connecticut 06511
 (877) 230-7492

Intelecare is a healthcare information technology company.

We focus on developing communication systems that increase patient medical compliance.

We service the individual as well as business and industry. It demands our undivided attention - and our commitment shows.

Millions of patients rely on us every single day.

Our private label solutions enable insurers, employers, retail pharmacies and pharmaceutical manufacturers to maximize adherence and increase loyalty.

Privacy and security are just two of our driving tenants to ensure utilizations & positive patient outcomes.
